

Safety First Plan 2020

*Covid-19 Protocols

Masks/Face Coverings

- 1) All students and staff are required to wear masks or face shields before, during, and after rehearsal and class until Oct 12th.
- 2) Students will have access to a “safe area” for a mask break at any time during rehearsal.

Temp Checks

- 1) All students and staff will have their temperature checked by a contactless thermometer prior to rehearsal, classes, or lessons.
- 2) Any student or staff member with a temperature higher than 100.0 will be sent home for that day.

Parent Drop-Off/Pick-Up

All parents will drop students off at the front entrance to the theatre. For Jr and Mini classes, a staff member will meet students and take them to the rehearsal room. Parents and guardians may not enter the building unless prior arrangements are made.

Symptom Checker

- 1) All students and staff are expected to check for any symptoms of COVID19 prior to any class or rehearsal.
- 2) If a student or staff member is experiencing any symptoms related to COVID19, they should notify Upstage immediately and not attend class on *that day*.

Personal Belongings

Students must bring their own snacks and water. All water dispensers and fountains are closed. The concession stand will also be closed until it is safe to re-open it.

Virtual Flexibility

In the event that Upstage Theatre decides it's necessary, we will move all classes and lessons to a virtual format until it is safe to return in person. This would be temporary and no performances are planned to be done in a virtual format at this time.

The key to making this year successful is communication. Now more than ever! We are excited for a great year!

Please visit www.upstagetheatreok.com for a detailed breakdown on how rehearsals and performances will be handled.
